and in the preamble of the claims of McDonald, Serial No. 10/271,464, was sold by the Assignee of the instant application more than one year to the filing of this application and is therefore prior art. It is believed that a description of the cooler offered for sale as contained in the Background of the Invention and as set forth in the preamble of the independent claims of McDonald is adequate for the Examiner to understand the details of the prior art structure.
